

## NORTHERN VIRGINIA

# SELLER HANDBOOK

A data-driven guide to selling your Northern Virginia home for top value

# WELCOME & OVERVIEW

## WELCOME TO YOUR HOME SELLING JOURNEY

Selling your home is a major financial and emotional decision. My job is to protect your equity and your timeline. I price with market data, prepare your home to stand out, and market it well beyond a sign and an MLS listing, so you sell with confidence and keep more of what your home is worth.

### WHY SELL WITH A PLAN

- Price right from day one
- Prepare to impress buyers
- Market beyond the MLS
- Negotiate from strength

### WHAT'S INSIDE

- Pricing Your Home
- Preparing Your Home
- The Selling Process
- Offers & Final Tips

# PRICING YOUR HOME

## PRICE IT RIGHT FROM DAY ONE

Homes that are priced right and prepared well sell fastest and net the most. Price a little high or show poorly, and your home sits, collecting price cuts and buyer doubts. I set your list price using recent sales, active competition, and current demand, so you launch strong from day one.

## WHAT DRIVES PRICE:

RECENT SALES

ACTIVE LISTINGS

HOME CONDITION

MARKET DEMAND

# PREPARING YOUR HOME

## FIRST IMPRESSIONS SET THE PRICE

Buyers decide what your home is worth in the first few minutes. Small repairs made before listing usually cost far less than the credits buyers ask for after an inspection, and a clean, staged home helps them picture living there. Every hour of preparation shows up in your offers.

### FIX & CLEAN

- Leaky faucets
- Cracked tiles
- Deep clean

### STAGE & SHOW

- Declutter rooms
- Neutral decor
- Pro photography

# THE SELLING PROCESS

## STEP-BY-STEP PROCESS

### Consultation

Goals, timeline, listing agreement

### Pricing

Set price with market data

### Preparation

Repairs, cleaning, and staging

### Marketing

Launch online and in person

### Offers & Terms

Negotiate price and terms

### Settlement

Sign documents, hand over keys

## IMPORTANT DOCUMENTS

- > Photo ID
- > Mortgage payoff
- > HOA packet
- > Disclosure form

## MARKETING PLAN

- > Pro photos & video
- > MLS & home sites
- > Social media ads
- > Open houses

# OFFERS & FINAL TIPS

## THE BEST OFFER IS NOT ALWAYS THE HIGHEST

Price matters, but so do financing strength, contingencies, deposit size, and settlement timing. I compare every offer side by side on what you will actually net and how likely it is to close, then negotiate to protect both your price and your timeline.

### KEY TIPS

- Keep showings easy
- Price right from day one
- Compare net, not price
- Plan your next move
